Hospice Care**

A Registered Charity No. 287773

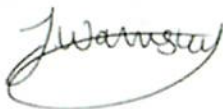

Dear Mrs Shaw and all at Victoria Surgery,

I am writing to you on behalf of everyone at St Nicholas Hospice Care, to extend our heartfelt gratitude for the incredible £1050.00 which you so kindly donated to us following your annual Christmas Hamper Raffle. It was incredibly thoughtful of you all to think of the hospice, and we cannot thank you enough for your support.

Please pass on our sincerest thanks to all those involved, including your patients and colleagues; you are all truly wonderful. Please also pass on our thanks to Nikki for nominating us as the chosen charity, and who celebrated 25 years at the surgery last month – what an incredible achievement! I'm pleased to confirm that these donations have been allocated to our Nicky's Way services.

Your generosity helps us continue the work of Nicky's Way, our dedicated bereavement service for children and young people. Through Nicky's Way we offer specialist counselling, therapeutic groups and compassionate guidance to children aged five to 18 as they navigate their grief. Your support ensures that we can be there for families at their most difficult moments, helping young people feel understood, supported and never alone. Your support means the world to us, **thank you**.

Kindest regards,

Jess Walmsley
